Pueblo West, CO

EDUCATION

Beacon College, Leesburg FL— *CIS - IS*

Fall 2022 - May 2027

Bachelor of Science in Computer Information Systems - Information Systems, Graduating in fall of 2026.

EXPERIENCE

Priva Plan, *Networking Security (Intern)*

Jun 2025 – Aug 2025 & Jun 2026 – Aug 2026

Executed IP security scan tests on both external and internal networks and wrote reports on executed scans.

Beacon College in Tokyo, *Social Media Coordinator (Intern)*

Feb 2025 – May 2025

Posted on the Beacon College in Tokyo Facebook page. Formatting Photos and captions for each post and responding to feedback.

Ecumenical Church of Pueblo West, *Audio Video/I.T.*

Jul 2019 – Aug 2022

Provided functionality for the Audio and Video Equipment, along with streaming software. I also dealt with any technological issues that occurred.

Pueblo YMCA, *Lifeguard & Swim Instructor*

Feb 2021 - Mar 2022

Watched over three pools, as well as instructed/taught swim lessons to people of all ages.

GOAL

To pursue a career in the automotive industry and use my problem-solving skills from my tech experience to elevate my work above the standard.

SKILLS

Computer Hardware and Software

Automotive Services

Breaks

Oil Changes

Suspension

Communication

Customer Service

Detail Oriented

Troubleshooting (Problem Solving)

ACCOMPLISHMENTS

Attended the Tim Howard Leadership Academy

Spring Semester 2025 Studied Abroad in Tokyo

Past Automotive Experience, 2013 Honda Accord EX Sedan (K24xw1 - 6 Speed Manual)

Swapped stock manual transmission shifter with a Hybrid Racing Short shifter, Changed Brake pads, swapped stock steering wheel with a Mugen Racing Steering wheel with an NRG style quick release and NRG Steering wheel hub. Put on XXR 527 wheels with a 114.3x5 bolt pattern and wrapped in 255x18xR35 Kumho tires. After market Atoto head unit and wiring harness and swapped ac control unit with a different model ac control unit. This was all done on a 2013 Honda Accord EX Sedan with the K24w1 matted to a six-speed manual.

Planned Automotive Work, 2013 Honda Accord EX Sedan (K24w1 - 6 Speed Manual)

Planning on adding a catless downpipe from RV6 and RV6 Mid-pipe and a Manga flow muffler. I'm also planning on doing a cold air intake. Potentially a small turbo will be added for a bit more power. Planned boost level would be around five to seven pounds of boost.
